Aquarion Water Employees Visiting Customer Homes to Replace Meters in Stratford, Trumbull & Shelton

BRIDGEPORT, CT – October 13, 2005 – Aquarion Water Company service technicians are presently visiting customer homes in Stratford, Trumbull and Shelton to replace 3,000 water meters, as required by law.

The replacements for the aforementioned areas are taking place today and will continue through Saturday, October 15th from 8:00 a.m. until 4:30 p.m. The existing meters that are being replaced because they are outdated. Employees will have photo identification cards and be driving Aquarion Water vehicles, which are either blue or white with the Aquarion Water Company logo. Aquarion Water Company officials stress that customers should never let anyone claiming to be from Aquarion Water into their homes without first checking his or her photo identification card.

If there is any doubt that the person at an individual's door is an Aquarion Water employee, residents may call Aquarion Water at 1-800-732-9678.

Aquarion Company's principal business is public water supply. Through its Aquarion Water Company subsidiaries, it is one of the 10 largest investor-owned water utilities in the U.S., serving 219,400 homes and businesses, or approximately 677,000 people, in 53 Connecticut, New York, Massachusetts and New Hampshire communities.
