# Customer Assistance Program

For Connecticut  
Customers

## About the Program

Aquarion Water Company of Connecticut is pleased to announce that it has allocated a sum of \$50,000 to its Customer Assistance Program to assist customers in need with the payment of their water bills. A one-time voucher in the amount of \$50 will be granted to 1,000 customers in 2010 who are either home-owners in Aquarion's service territory or contractual renters (water bill must be in renter's name) who pay a quarterly water bill. Once the \$50,000 has been allocated, the program will conclude for 2010.

- Helms Housing recipient paying the minimum
- Section 8 (Housing Choice Voucher Program)
